THE TIMES.

A. H. CLEMENT EDITOR.

WEDNESDAY, OCT. 24, 1906.

New York, Oct. 17, 1906

"Lieutenant-Governor J. Taylo Ellyson,
Richmond, Va.:

"Mother wishes every mark of respect and a military funeral, such as Winnie had. Please advise us as to arrangements.
(Signed)
"Margaret Jefferson Davis Hayes."

The above telegram from the daughter of the late Mrs. Jefferson Davis is to our mind absolutely inexplicable. That a modest, Southern matron should have expressed the wish that a display should be made on the occasion of her funeral and that military honor be shown her, when she had never felt the shock of battle, simply amazes us. And this the widow of our immortal Chieftain! We are afraid to trust ourselves to make comment, so in silence and sadness we draw the curtain.

We know of a man of affairs who has been conducting an active and successful business for 39 years and yet who has failed to accumulate property. For the past 20 years he has had a laborer in his employment whose wages have not been more than $15 a week and yet he has bought three town houses and 23 acres of land just outside the corporate limits of his town. The one has been a spender and the other a saver.

Senator Martin has sold his farm near Scottsville and bought a colonial residence in the neighborhood of the University. We have no doubt that he gives up the old home place reluctantly. The happiest days of his life have been spent there and he can never hope to reproduce the familiar scenes.

Hon. J. Taylor Ellyson has confidence in the fact that the gates to the Jamestown Exposition will open on time, as he has rented a residence on Hampton Roads, from which he can at least witness the naval display.

Old man "Chauncy" is out again and says he will occupy his seat in the Senate again. Well there are kindred spirits in that body waiting to welcome him, but it will require "cheek" to face the galleries.

Mr. Roosevelt says the new conditions demand new methods. Just so the G. O. P. has outlived its day. Outside of the grafters there would be no mourners at the funeral.

The world will soon be asking, "Upon wheat meat hath Uncle Sam been feeding that he hath grown so great?" And the answer will be "certainly not on canned beef."

Charles Dana Gibson's definition of a lady is excellent—"A lady is one who remembers others but never forgets herself." Rader you can't improve on that.

The latest is that Mr. Roosevelt wants to be Senator after his term expires. In our opinion he would be very willing to remain the White House.

The frost King has come and the leaves and roses must go. But then the leaves and the "roses will come again."

Glenfall

We have had seven days of rain and during this time there has been little sunshine.

Mr. Charlie Smith who has been so ill for many weeks is now recovering.

We regret to note that Mr. S. P. Taylor and family will soon move to their new home in Bedford Co. They will leave a wide vacuum in their church and community. We can only wish them much success.

The schools have opened with a good attendance.

Miss Mary Lizzie Abbitt is still visiting in Lynchburg.

Miss Susie Moore has returned from a visit to Pedlar Mills.

There will be an oyster supper with meats and fowls, hot coffee &c. at Mt. Comfort on October 31st.

Mr. McGee will give a lecture on the same occasion.

Mr. C. Abbitt visited Mr. E. A. Walton last Saturday and Sunday.

Mr. Editor:- we enjoy your dispatches and you deserve much credit for its superiority.

A Certain Cure for Croup - Used for Ten Years Without a Failure.

Mr. W. C. Bott, a Star City, Ind. hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy. His children have all been subject to croup and he has used this remedy for the past ten years, and though they much feared the croup, his wife and he always felt safe upon retiring when a bottle of Chamberlain's Cough Remedy was in the house. His eldest child was subject to severe attacks of croup but this remedy never failed to effect a speedy cure. He has recommended it to friends and neighbors and all who have used it say that it is unequaled for croup and whooping cough.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address

WHY A FARMER SHOULD KEEP A BANK ACCOUNT.

Farmers as a rule do not keep books of any kind. Their accounts therefore, on the ledger of a bank will afford them a complete record of all their important transactions, involving the payment or receipt of money. A cancelled check, when returned by the bank, at the end of the month, constitutes the safest receipt one can have for showing the payment of money. Paying a laborer, a store account, or any other bills, with a check drawn on a bank, is safer than using money; because the person receiving the check must endorse it and the check should be preserved as a receipt.

Money deposited in a bank is not so easily or so often "Pooled away" as when carried around in ones pocket. Try the experiment for one year of keeping a bank account and see if it does not pay you.

A large number of the most reliable farmers, in this section, have accounts with us. We are very desirous of having the accounts of farmers on our books and we will be glad to furnish, at any time whatever information we can in regard to the subject of banking.

The persons who open accounts with us we furnish check books free of cost.

When you are in Lynchburg call in and inspect our new banking room.

A COMPETITOR

A few days ago referred to us as "Rooster Bros." We make a game fight against high prices and he has probably felt the spur.

JOSH BILLINGS Says:- "I luv a rooster for two things, the cro' that's in him and the spurs with which he has to back up the cro'." Our crow is lower prices and CASH is the spur we back it up with.

LOOK FOR THE ROOSTER OVER THE DOOR.

Two Reasons Why We Grow

Progress is noted in two ways, viz:
1st—The incentive to make provisions for future demands.
2d—The care to make the best possible results of the present.
And so it is today, by such methods,

LYNCHBURG'S GREATER STORE

Stands out as substantial evidence of these two potent factors in commercial upbuilding.

We are never satisfied, no matter how good the service, no matter how splendid the results of our efforts, no matter how superb are the assortments of merchandise offered in our various departments.

We are planning for better conditions, striving to make this store the foremost in the State, and it shall be done only by fair dealing, courteous treatment and prevailing low prices. Thus the tide will swell and the store of yesterday is the better store of today, and on and on till greater things be accomplished, our facilities to serve you the best possible.
